

Bloom Community Farm – In-Kind and Cash Donations

Thank You for helping us build the Bloom Community Farm!

The farm will provide many opportunities for youth and adults through growing and accessing healthy, local food in our Blaine County community.

How you can help:

We welcome both cash and in-kind donations.

Do you want to volunteer at the farm? Contact Rachel Shinn at rshinn@thehungercoalition.org or (208)788-0121. We also welcome your donations of expertise and time!

Below are examples of what your **cash donation** can help us purchase. Gifts of cash allow us to purchase exactly what we need, *when* we need it most. Thank you!
