

The Hunger Coalition's 2017 Annual Goals

1. **Goal:** Provide **Food Assistance** to 17% of Blaine County population or 3,500 people. **Result:** 19%, 3,914 people
2. **Goal:** Engage community members in providing 8,000 **volunteer hours**, keeping our organization efficient and saving close to \$200,000 in staff time. **Result:** 9,725 hours saving \$235,000
3. **Goal:** Evaluate quality and quantity of **Snack Pack** and **Daily Bites** components and make changes to optimize nutrition and accessibility to all age groups. **Result:** Completed evaluation and increased nutrition and access at WRHS and SCHS
4. **Goal:** Work with partner advocates involved in our **Snack Pack Program** to provide 6,250 snack packs to 200 students. **Result:** 5,639 snack packs to 187 kids
5. **Goal:** Increase healthy summer meals served to a total of 275 children through our expanded **Summer Food Program** (*Bloom*, Lunch in the Park & Summer Camps). **Result:** 276 children
6. **Goal:** Ensure 100% of mothers who reach out to us have access to vital nutrition for their infants during the first year of their lives through our **Infant Formula Program**. **Result:** 100% served
7. **Goal:** Provide two opportunities per week at **Bloom Community Farm** and **The Hope Garden** for **Volunteer for Veggies** during the growing season. **Result:** Provided two opportunities per week to a total of 229 individuals
8. **Goal:** Run an 18-week **Mobile Market** for low income seniors and other vulnerable populations, offering food and nutrition education for a minimum of 25 people weekly. **Result:** 17-week market w/highest of 25 people and weekly average of 19 people, included offering minimal nutrition education
9. **Goal:** Provide a platform for 10 partner groups at **Bloom Community Farm** and three groups at **The Hope Garden** to achieve mutual community wellness goals. **Result:** 15 partner groups at Farm and 13 partner groups at Hope and totaled an impact of over 600 individuals
10. **Goal:** At least 70% of **Bloom Youth Project** participants will reach their resiliency goal. **Result:** 81% reached their resiliency goal
11. **Goal:** Engage up to 75 youth and adults in comprehensive **Nutrition Education** that will improve long-term health through nutritious, affordable eating. **Result:** 200 youth and adults engaged
12. **Goal:** Rescue a minimum of 85,000 pounds of food through our **Food Rescue Program** to feed the hungry, reduce food waste and maximize community resources. **Result:** 78,344 pounds rescued

13. **Goal:** Ensure 90% of people who respond to the **Annual Nutrition Survey** report that the food we distribute meets or exceeds their nutritional needs. **Result:** 100% reported we meet or exceed
14. **Goal:** Create a **Survey and Auditing System** to ensure that the foods provided through our food programs remain excellent in terms of nutrition and cultural inclusivity. **Result:** Survey and Audit completed for both Mobile Food Bank and Snack Pack Program and improvements made to both
